

ATTACHMENT NO. 1, PART A (for Amendment No. 2)

AMENDED SCOPE OF SERVICES

- In accordance with Exhibit A, Article A1.03(A)(2) of our Agreement:
 - 2. *Provide technical criteria, written descriptions, and design data for Owner's use in filing applications for permits from or approvals of governmental authorities having jurisdiction to review or approve the final design of the Project and assist Owner in consultations with appropriate authorities.*
- In accordance with Exhibit A, Article A2.01(A)(1) and A2.01(A)(11) of our Agreement:
 - A. *If authorized in writing by Owner, Engineer shall furnish or obtain from others Additional Services of the types listed below. These services will be paid for by Owner as indicated in Article 4 of the Agreement.*
 - 1. *Preparation of applications and supporting documents (in addition to those furnished under Basic Services) for private or governmental grants, loans or advances in connection with the Project; preparation or review of environmental assessments and impact statements; review and evaluation of the effects on the design requirements for the Project of any such statements and documents prepared by others; and assistance in obtaining approvals of authorities having jurisdiction over the anticipated environmental impact of the Project, including application fees for permits and regulatory submissions, plan approvals, or construction permit.*
 - 11. *Preparing for, coordinating with, participating in and responding to structured independent review processes, including, but not limited to, construction management, cost estimating, project peer review, value engineering, and constructability review requested by Owner; and performing or furnishing services required to revise studies, reports, Drawings, Specifications, or other Bidding Documents as a result of such review processes.*
- In accordance with Exhibit 1(A), Article B(5) and B(7) of our Agreement:
 - 5. *Prepare and submit construction documents and permit applications to FAA, NCDOT, DENR – Land Quality, and NCDENR – Public Water Supply for review and approval.*
 - 7. *Furnish sets of construction drawings and specifications in such quantities as may be required by the City for submission to State regulatory agencies and other review authorities, and the City's general use. Assist the City with necessary permit applications.*

- In accordance with Exhibit B, Article B(2.01)(H) of our Agreement:

H. Provide reviews, approvals, and permits from all governmental authorities having jurisdiction to approve all phases of the Project designed or specified by Engineer and such reviews, approvals, and consents from others as may be necessary for completion of each phase of the Project.

In our Scope of Services for this project our permitting efforts were intentionally limited to preparing and submitting construction documents and permit applications in accordance with Paragraph 5, hereinabove. This also included furnishing sets of construction drawings and specifications in such quantities as may be required by the City of Durham for submission to state regulatory agencies and other review authorities, the City's general use and for assisting the City with the necessary permit applications.

To date, Kimley-Horn has spent a total of **\$86,752.14** on the additional permitting services described herein.
